

Title: Professional development tools to advance your pharmacy career

In: Professional development tools to advance your pharmacy career on

Tuesday, 4 September 2018, 12:30-14:00

Type: Presentation

By: STEEB, David (UNC Eshelman School of Pharmacy, USA)

Co-author(s): David Steeb, ()

Abstract:

I will be discussing the importance of engagement within professional organizations and networking. During this session, strategies will be discussed for individuals to find opportunities within professional organizations that align with their interests and how to effectively build a diverse network that can enable further professional engagement.
