Type:

By: GUTHREY, Peter (Pharmacy Guild of Australia, Australia)

Abstract:

Peter Guthrey is an Australian pharmacist base in Melbourne, Australia. For the past ten years, he has served as a professional practice pharmacist for The Pharmacy Guild of Australia. In this role, he has supported policy development, provided regulatory advice, supported quality management, helped develop professional guidelines and produced business support materials. Peter is currently the technical manager of the Quality Care Pharmacy Program, a quality accreditation program to which 95% of Australian community pharmacies are accredited. Peter regularly practices in community pharmacy and his professional interests include improving customer/patient experience and building teams.
