

COVID-19 SUMMARY GUIDANCE #9

Notice to community pharmacy patients and customers

1. Disinfect your hands when entering the pharmacy.
2. Make sure you keep a distance of 1 to 2 metres between you and other customers or pharmacy staff.
3. Do not walk outside the floor markings
4. If you sneeze or cough, cover your nose and mouth with a tissue (which you should discard immediately) or cough/sneeze into your elbow.
5. Avoid shaking hands while in the pharmacy.
6. Have the prescriptions you need filled ready.
7. Respect the limit of number of patients inside the pharmacy at a given time.
