WHY JOIN FIP?

Becoming an individual member of the International Pharmaceutical Federation (FIP) means joining a global network of over 4 million pharmacists, pharmaceutical scientists and educators.

As an individual member, you'll have access to exclusive resources, opportunities for professional growth, and the chance to connect with colleagues worldwide.

MEMBERSHIP BENEFITS

1. STAY INFORMED AND KNOWLEDGEABLE

- **FIP Library:** Access over 650 guidelines, handbooks, and toolkits for practice development in areas such as antimicrobial resistance, vaccination, NCD management, public health emergencies and self-care.
- **International Pharmacy Journal:** Receive a monthly digital publication providing a global perspective on pharmacy practice, science and education.
- **Online courses:** Learn about digital health, substandard and falsified medicines, and more through our exclusive FIPx Courses.
- **Courses with FIP seal:** Access CE/CPD courses awarded the FIP Seal, ensuring quality and alignment with FIP's mission and Development Goals.
- **Monthly newsletter:** Stay updated on important trends and actions within the pharmacy sector,

including upcoming FIP events and global pharmacy trends.

- **FIP Global Pharmaceutical Observatory:** Access validated global data on the pharmacy workforce, practice and pharmaceutical science, along with interactive tools and data visualisations.
- **FIP-UNESCO UNITWIN:** Gain access to valuable resources created by our regional FIP-UNESCO UNITWIN Centres for Excellence.

2. EXPAND YOUR NETWORK

- **Digital events:** FIP hosts a wide range of events, meetings, and workshops focused on pharmacy practice, pharmaceutical sciences, and global health throughout the year.
- **Active participation:** Engage in online workshops, roundtable discussions and webinars to share best practices and address global challenges.

3. OPPORTUNITIES FOR LEADERSHIP AND VOLUNTEERING

- **Nominate and get nominated for prizes:** Recognise excellence in

pharmacy with prestigious awards.

- **Serve in FIP Sections and Special Interest Groups:** Help shape the future of the organisation and your area of practice.

4. SUPPORT PHARMACY ADVANCEMENT

- **ONE-FIP Hub:** Serving as the engine room for global pharmacy advancement, the ONE-FIP Hub brings together experts to undertake projects that generate intelligence and develop evidence-based resources. These tools are designed to inform and support the achievement of global goals in pharmacy.
- **FIP Advisory Groups:** Through Ethics, Regulators, and Technology Advisory Groups, FIP convenes experts to share best practices, offer guidance, and

provide resources aimed at advancing the field of pharmacy.

- **Humanitarian assistance:** With your support, FIP provides technical assistance during humanitarian crises, such as natural disasters, to ensure the continuity and advancement of pharmacy services in affected regions.

5. SUPPORT FOR EARLY CAREER PHARMACISTS

- **Remote volunteering programme:** Gain experience through remote training and project involvement.
- **Leadership development programme:** A 10-month online course to build your leadership skills.
