

## **Special Interest Group (SIG) on Personalized and Precision Medicine (PPM) Annual Report 2021**

In 2021, Personalized and Precision Medicine (PPM) SIG continued to contribute to relevant FIP programs. For example, we were/are actively participate in the planning of the BPS digital events. In addition, the SIG chair serves as an executive member to the International Scientific Programming Committee of the upcoming 8<sup>th</sup> Pharmaceutical Sciences World Congress (PSWC 2023).

Goals in 2022:

- Goal #1: With the recent changes in leadership within the PPM, a major goal of the SIG for coming year is to establish a functional leadership team that will be able to efficiently communicate to its members and have broad connection with other FIP sections and groups.
- Goal #2: Understand the membership bases by surveying FIP members who express interest in the PPM SIG.
- Goal #3: Continue to contribute to the one FIP goal by participating in all relevant FIP programs.
