

Prof. Dr. Junyi Liu

Positions

Dean of School of Pharmaceutical Sciences, Peking University

Professor of Chemical Biology

Education

1970-1974, School of Pharmaceutical Sciences, Beijing Medical University, China, Major: Medicinal Chemistry, B. Sc.

1990-1997, Department of Chemistry, University of Newcastle upon Tyne, England, M. Sc, PhD., Supervisor: Prof. B. T. Golding. (Major: Medicinal Chemistry), Anticancer Research Unit, University of Newcastle, England, Postdoctor (Anticancer Drug Design.)

Professional Experiences

1975-1981, Assistant, Department of Organic Chemistry, School of Pharmaceutical Sciences, Beijing Medical University, Beijing, China.

1981-1989, Lecture, Department of Organic Chemistry, School of Pharmaceutical Sciences, Beijing Medical University, Beijing, China.

1997-present, Associate Professor, Professor, Department of Chemical Biology, School of Pharmaceutical Sciences, Peking University, Beijing, China.

2004-2005, Executive Vice Dean of School of Pharmaceutical Sciences, Peking University

2005-2016, Dean of School of Pharmaceutical Sciences, Peking University

Research Areas

Design, synthesis and evaluation of anticancer, antiviral and neuroprotective agents; organic synthesis ; study on methionine synthase structure and function; the chemistry of vitamin B₁₂.
